- [a] ACCT2151 and 3151 are mutually exclusive. Students who would like to pursue a career in accounting profession are advised to take ACCT3151 instead of ACCT2151.

### Requirements for admission to the 2<sup>nd</sup> degree programme

- 1. For admission to the second degree programme, students should have:
  - i. obtained admission scores not lower than a score mutually agreed by both the Faculty of Business Administration and School of Journalism and Communication, and this score should not be lower than the lowest admission scores of the JLM programme;
  - ii. fulfilled all graduation requirements of the first degree programme;
  - iii. obtained a Major GPA of at least 3.0 upon completion of studies of the first degree programme;
  - iv. taken at least a reasonable number of units (27 units as mutually agreed by both the Faculty of Business Administration and School of Journalism and Communication) of courses prescribed by the second degree programme while pursuing the first degree programme; and
  - v. achieved a GPA of at least 3.0 in these second degree programme courses. These second degree programme courses include the mutually recognized courses of the double degree option.

Interview will be arranged for all shortlisted candidates. Students who do not satisfy the above requirements may still apply for admission to the second degree programme which has discretion in judging the suitability of the students in studying for the second degree

programme through assessments like conducting interview, considering the recommendation from the first degree programme etc.

Upon fulfillment of the requirements of the first degree programme, students of this double degree option can choose to or not to pursue the second degree programme. If a student decides not to pursue the second degree programme but has fulfilled the requirements of a relevant JLM minor programme, a minor of that JLM programme would be awarded.
